# CUBE RESTAURANT ON THE TOP FLOOR OF THE 'KUNSTMUSEUM STUTTGART'

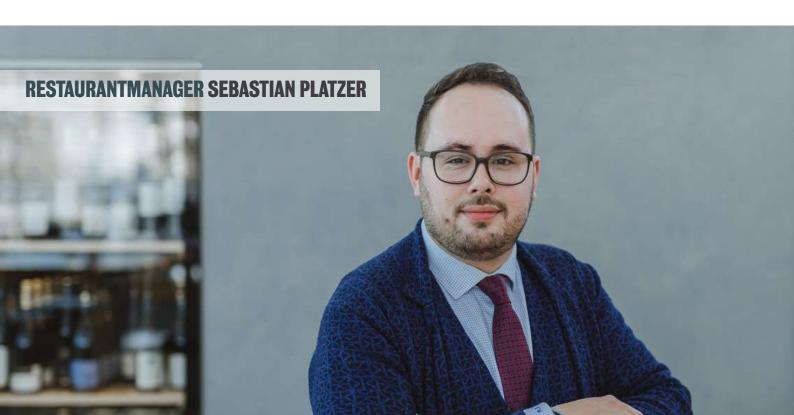

The sense of space is unique: all-round glazing and a fantastic view of Stuttgart's city center. The reduced interior supports the impression of urban generosity.

The professional restaurant crew has a clear vision: "Inspired Cooking" – it is the quintessence of inspiring, culinary voyage of discovery. Tasteful and expressive dishes are created with first-class, wherever possible regional products. Our dishes combine ideas from different origins: Mediterranean cuisine with Asian influences are the source of inspiration.

## ENTHUSIASTIC SERVICES

Perfect processes are not enough. The decisive difference is made by our employee's passion, comparable to the revitalized elements used in classic culinary art. To ensure that our employees are always motivated, we treat our team with the utmost care and see it as our duty to promote their development to the best of their ability. In specially designed training programs, we not only train our employees in terms of their professional qualifications but above all in their personal and professional character traits as true hosts.

The result: As a guest, you recognize us by the smile with which we greet you.
